

Hanoi, 5 June 2017

WELCOME MESSAGE

The Vietnam Pro-AV and Lighting 2017 Exhibition and The International Exhibition on Telecommunications and Information Technology 2017 in Vietnam – Vietnam Telecom 2017 will be held simultaneously at the Hanoi International Center for Exhibition (ICE) from 25th-27th October 2017 under the steering of the Ministry of Information and Communications (MIC). The event is jointly organized by the Center for Press and International Communication Cooperation (CPI) - MIC, the Vietnam Chamber of Commerce and Industry (VCCI) and CP Exhibition company - Hong Kong.

In particular, Vietnam Telecom 2017 follows the success of 15 previous holdings, building the ideal trading platform for products, solutions and IT services. IT managers, sales executives, sales managers, IT system integration managers will come to the fair to promote direct trade with exhibitors.

We believe that this event will open up great opportunities for domestic and foreign businesses to meet, discuss, set up and strengthen trade and investment in Vietnam.

Wish the exhibition a great success.
